Aloha Hina,

We've decided that these draft documents won't be released to the public until it's finalized. We'd consider your request at that time. This is pursuant to the following HRS provision:

§92F-13 Government records; exceptions to general rule. This part shall not require disclosure of:

> (3) Government records that, by their nature, must be confidential in order for the government to avoid the frustration of a legitimate government function;
